## FOUNDER'S NOTE

In recent years, our team has begun to put down on paper some key ideas central to TTF's ministry. With our mission statement serving as our ultimate goal, we spent some time last year defining our core values, the ten Biblical principles we live by every day. But this past spring, we began to ask ourselves a different question – What really motivates us? What are the beliefs we won't back down from, no matter what? If someone asked us to list the things we KNOW to be true...the ones that ultimately explain why we do what we do...how would we respond?

On the following pages, you will learn about the five "non-negotiables" that ultimately became the answer to these critical questions. You'll learn how these beliefs are what has guided every initiative, every partnership, and every project. But more than that, you'll see the faces of children across the world that represent these non-negotiables to us. At the end of the day, it's not about the work itself, it's about the people impacted by it. It's the faces of the ones we know, and the ones we have yet to know, that encourage and challenge us to ask ourselves how we can take what we believe and use it for someone else's good in a deep and lasting way.

Next year will mark one decade since the foundation was formed. On one hand, it's hard for me to believe. It was just a dream, this time 10 years ago. But on the other hand...I still believe God has just gotten started with us. This is HIS ministry, and as long as there are children in the world who need care, who need healing, who need someone to believe in them, and someone to fight for them when they can't fight for themselves, the mission isn't over. Thank you for stepping into the battle with us. Together, we will keep pushing back the darkness, and bring light to a world desperately in need!

## EXECUTIVE MESSAGE

As I think back on the work God has accomplished through the foundation over the past year, it's hard to know where to begin. To think that He would take what little we have to offer Him, and still say, "Yes, I can use that. And not only that, but watch what I can do with it..." It's overwhelming, really. Who are we that the God of the universe would invite us not only into His family, but also into His mission?

It's a call that is both deeply humbling and incredibly exciting, and one we are honored to answer alongside you, our giving family. It's a call we pray you feel a renewed sense of commitment to as you turn the page and see just some of the many ways God is moving through TTF's ministry. It's a call rooted in the non-negotiables established by our team earlier this year. For the purpose of this book, we chose to illustrate each of these five strongholds individually - to provide you with just a few examples of how they have been on display within the ministry over the past year. But the truth is that every story shared, every outreach initiated, every life changed exemplifies all five of the non-negotiables, no matter what page they may have landed on.

As we move into 2020, we are filled with both gratitude for what has been, and anticipation for what will be, confident that He who began a good work will be faithful to complete it (Philippians 1:6). Though the road is long and often challenging, we know that with His grace upon us, and your support behind us, we will not fail. Thank you for partnering with us in this truly life-changing and kingdom-impacting work. To God be all the glory.

## WE ARE BELIEVERS

We're believers in a big God. We're believers in people. We're believers that big and lasting change is possible for a broken and hurting world.

#2

## EVERYONE MATTERS

To love God is to serve God, and to serve Him is to serve others. Every single person matters to God, therefore every single person matters to us.

#3

## WE'RE ON A RESCUE MISSION

There is urgency in the mission. It cannot wait until a more convenient time; the time is NOW. If we don't act now, when will someone get to these children in need? Will someone even get to them at all?

#4

## THERE IS POWER WHEN WE COME TOGETHER

I can't...you can't...but WE can. When we come together, when we believe the mission is more important than the individual credit, lives will be changed. Anything is possible.

#5

## DON'T FORGET

Don't forget the moment God changed your life. Don't forget the moment He challenged you to join the fight. Don't forget that you have a specific role to play in bringing Faith, Hope and Love to a world in need.

# WE ARE BELIEVERS

From the opening of the 10th Timmy's Playroom in Daytona Beach, Florida, to funding the opening of an 8000 square foot resource center for children with special needs in Mexico...from hundreds of leaders and pastors gathering in Guatemala for training on "The Inclusive Church" - why and how to serve people with special needs, to hundreds of thousands of people with special needs being celebrated globally at Night to Shine, God's plans for this ministry in 2019 were, once again, far greater than anything we could have dreamed. Time and time again, no matter how large or challenging our plans seemingly were, He showed us that simple faith really does move mountains!

# EVERYONE MATTERS

As of 2019, 98 children have been welcomed home to their forever families through the foundation's Adoption Aid program. With children widely ranging in age, ethnicity, cultural background, and medical conditions, our Adoption Aid families model daily the belief that everyone matters! In the same vein, over 90 children fighting life-threatening illnesses have been granted an official W15H experience since the program's inception. It is our prayer that no matter what these children have faced in the past, or what they will face in the days ahead, they deeply know their worth not only as part of the TTF family, but as a beautifully and wonderfully made child of God!

*Even though it's easy to get discouraged and feel alone, God has given me this W15H experience as an encouragement to help others who have felt the same way I have! I want to give back, and help bring Faith, Hope & Love!*

**TWO YEARS AGO, EMMANUELLA JOINED THE TTF FAMILY AS PART OF OUR ADOPTION AID PROGRAM. ONCE AN ABANDONED ORPHAN, NOW A BELOVED DAUGHTER – AND EVEN MORE RECENTLY, BIG SISTER TO BABY HARRIETTE! – THIS SWEET GIRL’S ADOPTION WAS JUST THE BEGINNING OF A LIFE-LONG STORY GOD IS STILL WRITING!**

“

*Emmanuella's journey into our family was filled with both heartbreak and miracles, loss and love. Harriette's journey was completely protected from the outside world. But it doesn't matter how a child joins a family, God puts them there on purpose. Both of our girls are miracles, and each will have her own amazing story to tell!*

# WE'RE ON A RESCUE MISSION

For the millions of orphans living in the world today, the time is NOW. For the millions of children in developing countries with limited or no access to affordable, quality healthcare, the time is NOW. We are deeply grateful for our partnerships with organizations already on the ground in the Caribbean, Latin America, Asia and beyond; partnerships led by incredible individuals committed to the rescue mission set before us. Because together we share the belief that the mission is more important than the credit, countless numbers of children have been rescued already, and we know there are many more to come. With God's help, the number is limitless!

*Meet Clivton & Abraham. They are precious brothers who were separated from a larger family by the struggle that comes with life in Haiti. Because their parents were unable to provide for their large family, they felt that their placement into full-time care was inevitable. They now live in the Children's Village in Jacmel, but we have strong hope to reunify the family as soon as possible. In the meantime, we love them fiercely, and are grateful for the ability to stand in the gap for Clivton and Abraham.*

# THERE'S POWER WHEN WE COME TOGETHER

Honored Guests. Volunteers. Host Churches. Vendors. Sponsors. When these groups of people come together every year, something special happens. That something is Night to Shine, now a worldwide movement that has grown exponentially since inception, and is showing no sign of slowing down! The impact has expanded even further through this year's addition of Shine On, a program that connects new and existing special needs ministries with world-class, faith-based resources that train, guide, and support churches as they serve their local community of people with special needs. We are so excited to see how God unites people from all over the world through this new and unique ministry!

Each one should use whatever gift he has received to serve others, faithfully administering God's grace in its various ways,' **1 Peter 4:10**. At Night to Shine, our church loved on our son and us as his parents. They made our son feel honored. They gave him joy. They reminded him that he has friends, and is not alone in this life. They used 'whatever gift' they were given to show God's grace - grace that he will need to hang on to as he lives out each day and strives to look beyond his broken body toward the ultimate goal, eternity with Christ, fully restored. We are so grateful for the many hands that made Night to Shine possible. Everyone involved was truly the hands and feet of Jesus.

# DON'T FORGET

As you turn the pages of this book...as you look upon the faces of the children your generosity has impacted...as you read the words of hope from ministry partners...may you never forget that it is God's blessing upon YOUR generosity that enables the ministry of the foundation. May you never forget the moment when God called you to be a part of something that matters. May you challenge others to remember; and not only remember, but to act. To pray. To serve. To give. To take whatever skills and resources God has provided, and use them to meet the needs of others. May we live every day remembering that He loved us first, and in doing so, we have been equipped and called to love others.

# YOUR ROLE IN THE MISSION

## PRAY

*At TTF, we pray first and act second. No outreach is begun, no partnership formed, no work accomplished without being steeped in prayer first and foremost. With that in mind, would you commit to faithfully praying for the foundation over the next year? We ask that you continually lift up in prayer our leadership and staff, our partners, the children we serve, and our supporters, remembering that there is power when we come together.*

## SERVE

*At TTF, service to God and service to others is at the very core of who we are. We invite you to engage in the mission through service to your local community, whether at Night to Shine, or in another way. Regardless of how you choose to serve, we challenge you to commit to being the hands and feet of Jesus by finding practical ways to spread Faith, Hope and Love to a world in need.*

## GIVE

*At TTF, we want to be marked by generosity. In light of God's great generosity to us, we feel called to offer back to Him the first fruits of what He has graciously given. To that end, we invite you to join The Movement, a community of monthly givers dedicated to fighting for a world in which all individuals know their inherent value as a child of God!*
